DEDICATION

This book is dedicated to increasing the level of Peace and
WorldPeace in the world human society.

WorldPeace is a possible dream.

When peace becomes our priority,
WorldPeace will become our reality.

- Dr John WorldPeace JD

WorldPeace is a journey,
not a destination.

- Dr John WorldPeace JD

This is our cry,
This is our prayer
Peace in the World

ACKNOWLEDGMENT

JESUS CHRIST

INTRODUCTION

“FOR THIS IS THE COVENANT that I will make with the House of Israel. I will put my Laws into their minds, and I will write them on their hearts, And I will be their God, And they will be my people. And they SHALL NOT teach everyone his fellow citizen, and everyone his brother, saying, “KNOW THE LORD”, for all will know ME from the least to the greatest of them. For I will be merciful to their iniquities, and I will remember their sins no more. When he said, “A New Covenant”, he made the first obsolete. Hebrews 8: 10-13

This is the Gnostic Teaching of the Apostle Paul.

The Gospel of Thomas is the Gnostic teaching of Jesus which were the earliest understanding of Jesus’ teachings. The Gnostic teachings of Jesus are contrary to the literalist teaching of Christian religious bureaucracies. Jesus in the official New Testament written by the Catholic Church in 400 AD, in the red letter words, NEVER had anything good to say about religious bureaucrats, Pharisees, Sadducees, scribes, etc. The Catholic Church under Emperor Constantine was trying to eradicate the Gnostic teaching of the early Christians and replace it with a literalist religious bureaucracy for the purpose of control of human beings.

ISRAEL

When the Jewish bureaucrats manipulated the crucifixion of Jesus by the Romans, it was the end of the Ancient Archaic Cult of Judaism. Jesus was born a Jew, raised a Jew, lived as a Jew, taught as a Jew and died as a Jew. At the time of Jesus’ death, the vale before the Holy of Holies split in two which is interpreted as God’s presence being withdrawn from Israel. In 72 AD, God allowed the Romans to raze the Temple of Solomon, and then raze Jerusalem and begin to disburse the Jews out of Israel.

In 571 God raised up Mohammed, the progeny of Ismael, who began to end idol worship in deference to one God the same as Abraham had done before him to create Judaism. God gave the Temple Mount to the Muslims and allowed them to erect the Dome of the Rock and the Al Aqsa Mosque on top of it.

The Crusades took control of Jerusalem for about 100 years in the 1200s. Other than that, the Muslims have controlled the old Israel for 1400 years. In the 20th century, God allowed the Nazis to exterminate 6 million Jews. It is hard to deny that God's wrath is still great against the Jews. The Jews still deny Christ as the Messiah.

When Jesus died, the Ancient Archaic Cult of Judaism became the lesser branch of Judaism and through Jesus Christ, the Christian Jews became the contemporary Christians and so they are the new Israel with whom God made the covenant that Paul spoke of in Hebrews.

This is the reality of the history of Israel.

In 1948, the United States became the prime benefactor of Israel and that has remained true until today. The only nation in the world that blindly supports Israel is the United States.

In the last 70 years, Israel has shown that it has learned nothing from the Nazi Holocaust except how to duplicate it with regards to the Palestinians.

Let me say here that I am against right wing anarchism in the world human society. That means I am against Neo Nazis but not Germans, ISIS but not Muslims, White Racists but not Americans, Zionists but not Jews. Fundamentalists, Evangelicals, Charismatics who promote the false Book of Revelation but not Christians.

The term Anti-Semitic has been appropriated by the Zionists to define any act against Jews. The Palestinian Muslims are also

Semitic but the Jews do not incorporate their Anti-Semitism against the Palestinians into their definition of Anti-Semitism against the Jews.

Since before 1948 the Zionists have ethnically cleansed Palestine of Palestinians and have caused the creation of 56 Palestinian Refugee Camps in the Middle East. They have also made Gaza into a concentration camp for 2+ million Palestinians. They periodically exterminate unarmed Palestinians within that camp. The Zionists have created an Apartheid State of Jews for Jews in Israel where Palestinians are second class citizens. The Zionists have illegally, per United Nation law, annexed the occupied territories.

Americans are flatly against Ethnic Cleansing, against Concentration Camps, Apartheid States, the violation of International Laws but have given a pass to the Zionists for all these abominable political actions.

THE BOOK OF REVELATION

The Book of Revelation in the New Testament is a lie. It is a lie for several reasons:

- 1) In the Book of Genesis, after Noah's flood, God said he regretted the flood and would not destroy mankind again. The Book of Revelation is about the end of the entire Universe.
- 2) Jesus said no one knows about the end times but God. Jesus said neither he nor the angels know about the end times. Yet whoever wrote the Book of Revelation says he knows what Jesus does not know. The Book of Revelation has no known author per the Catholic Bible. The Radical Christians say it was written by the Apostle John .
- 3) The Second Coming of Jesus was his resurrection. After his resurrection, Jesus said I am with you and where two or more are gathered I am there. All Christians believe Jesus is with

them in church every Sunday morning. Therefore, how can Jesus return if he never left.

4) 2000 years ago the Jews expected a warrior messiah. They were totally wrong. Jesus came as a man of peace preaching love and non-judgment. The Book of Revelation is projecting the same warrior messiah as the Jews did 2000 years ago. This is nonsense.

What those who have dealt with psychics and fortune tellers know is that most of what they are told does not happen but some of it does. The Book of Revelation is a book of Prophecy.

So what is possible is that there is going to be a global second reformation of Christianity like the reformation of Martin Luther in the 1500s but much more powerful. A different kind of Second Coming of Jesus Christ. I am in the process of writing "The Third Millennium Second Reformation of Christianity".

So like 2000 years ago, the Messiah came but not the way expected. It is probable then that a Second Coming is upon us but not in the way laid out by the Book of Revelation.

I would point out one other bit of prophecy in the Book of Revelation. The Evangelical, Fundamental, and Charismatic Christians claim per the Book of Revelation that the BEAST will be known by his number 666. He will be a Jew and involved in the Middle East Peace. Well folks the son-in-law of the President of the United States, Jared Kushner is a Orthodox Jew, involved in the Middle East Peace talks and his Flagship company is a building with an address of 666 Fifth Ave New York.

No Christian has dared point this out to Donald Trump. After 70 years of the Book of Revelation warnings, when the obvious connection between Revelation and Jared Kushner exists, not one of these Revelation preachers has mentioned a word about

Jared Kushner. Too much of their income depends on it for them to speak about Jared Kushner.

In a nutshell, the majority of the Book of Revelation is just unintelligible gobble-de-gook. No one can make any more sense of it than 900 of 1000 quatrains by the most famous prophet of all, Nostradamus.

5) Jesus said, “My kingdom is not of this world. If my kingdom was of this world, then my servants would be fighting so that I would not be handed over to the Jews...” Jn 18: 36. The Book of Revelation is about Jesus establishing a Kingdom on Earth. Gnosticism has nothing to do with a Kingdom on Earth.

6) And here it the most important fact about Jesus and the Book of Revelation.

Jesus said, “Ask and receive, seek and find, knock and enter for whoever asks receives, who seeks finds and to whoever knocks it will be opened.” Matt 7: 7. “If you have the faith of a mustard seed, you will say to the mountain move, and it will move. Nothing will be impossible for you.” Luke 17: 20. “If you believe in me, you can do the works I do and greater works than these can you do because I go to the father. Whatever you ask in my name I will do it.” Jn 14: 12-14.

What do all these verses mean? Jesus says as individuals and groups and nations as a world human society, we script our own future. What we ask and project for the future is what we will experience.

This means the Book of Revelation is not set in stone. We can script a future of peace and harmony. What it means is that if we keep listening to false preachers about a false Book of Revelation then we will experience some or all of the Apocalypse in the Book of Revelation.

America the greatest nation in the world has lost its way. Change is coming to the world that is for sure. November 3,

2020, the date of the Presidential elections will be a global watershed moment for Christianity and Global Politics.

GNOSTIC TEXTS

Here is what is true. The Catholic Church edited out as much of the Gnostic Gospels as their power could eliminate. And then they sent out a dictate to all Catholic Churches to burn everything that was not in harmony with the official New Testament. And for the most part this was carried out. But not 100%.

In the 1940's almost immediately after the end of WWII the Nag Hammadi Library was discovered followed in a few years by the discovery of the Dead Sea Scrolls. These documents evaded the destruction ordered by the Catholic Church.

These documents were closed to the public until 1994. Since then the scholars have had a field day studying and publishing their studies related to these documents.

What we are finding is that the Christian Church was in the beginning founded on Gnosticism. Gnosticism is about self-knowledge. The Book of Thomas is a Gnostic Text of the sayings of Jesus.

THAT BEING SAID:

I have reinterpreted the Gospel of Thomas. I have kept the major framework, but I have tried to bring it into contemporary English. I have reviewed extensively 8 books on the Gospel of Thomas as I have with other major religious texts for the majority of the dominant religions on the planet. I have not translated anything. I have just read more than a few translations and put a WorldPeace spin on the content of the Gospel of Thomas.

I am not a member of any religion. I find after reading the Gospel of Thomas that I have always been a Gnostic follower of Jesus. I have never been comfortable with much of literalist Christian teachings. I begin writing about my position 30 years ago when I changed my name to John WorldPeace and made a commitment to increasing the peace in the world human society.

REGARDING MY INTERPRETATION

Summary of my framework for interpretation.

1) The Infinite Potential (God) has no beginning or end, no time, no space. From this Infinite Potential, everything manifests and back into the Infinite Potential everything disintegrates. Human Beings live in a world of constant beginnings and endings. It is the nature of the earth dreamscape. Human Beings have no capacity to comprehend the all-inclusive Infinite Potential of God.

2) Almost all religionist believe that an immortal infinite spirit (soul) incarnates in a finite mortal human body (as a vehicle or container for the soul). At the death of the body, the soul disconnects and exits the earth dreamscape and returns to its spiritual dreamscape home.

3) Human beings are divided into male and female for procreation on earth. But Jesus says that heavenly soul bodies are like angels and have no gender. Why no gender because only God can create a soul. Gender would have no function in Heaven.

Further, God has no beginning or end, all things always existed. All souls have always existed. Being simple, God being all knowing, knew at some point souls would be created and since God has no beginning souls always existed.

4) Jesus said we script our own future which means all futures are malleable and therefore for me like dreams. All aspects of

God are infinite and immortal and so what we conceive of life on earth and life in Heaven are dreamscapes (being the best metaphor I could relate to.) I use these terms constantly and frequently in trying to relate the Gnostic Gospel of Thomas.

5) What is the opposite of Gnosticism? Literalism. It means constructing Christianity as literal history as opposed to mostly metaphors as a way to not become confused in the finite mortal earth reality as dominating an infinite immortal spiritual dreamscape. In the Gospel of Thomas when a person gets confused in the earth dreamscape one dies and when one stays focused on the infinite immortal spiritual dreamscape they experience Truth-Light-Love.

6) In quoting The Gospel of Thomas I generally use the words "The Master said" because the Gospel of Thomas reads a lot like the Analects of Confucius which I have also interpreted. Always interpret Master as Jesus Christ in this book.

SUMMARY

The world is changing very fast. We are in the time of times and half times and half times half times. The world human society is about to transcend into an expanded consciousness. Yes, I believe the next phase of the evolution of Christianity is imminent. Do I believe in the predictions of the false Book of Revelation? No.

But I do use some of the thoughts and words of Revelation.

I am working from the Bible to show the inconsistencies of the Bible. Do not confuse what I personally believe with what I see to be inconsistencies in the Bible. In time, you will know more of what I believe. For now, I am challenging Christians to make sense out of the brutality they have foisted on the world human society in the name of Jesus. American slavery and Native American Genocide are two issues that are not in alignment with the words and teachings of Jesus, Gnostic or otherwise.

Dr John WorldPeace JD

PROLOGUE

These are the hidden sayings that the living Jesus spoke to Judas Thomas the Twin and he recorded them.

1.

The Master said:

If you understand my teachings, you will understand and accept that the death of your body does not affect your infinite immortal soul.

The infinite immortal soul takes up residence in the finite mortal body at conception and disconnects from the body when the body dies.

The soul at the death of the body remembers its true infinite immortal essence.

When you understand my teachings, you will no longer concern yourself with the eventual death of your body.

jwp: In all conversations, it would be best if death was always referred to as the death of the body.

2.

The Master said:

Whoever seeks understanding of the earth dreamscape should not stop studying until he or she finds answers.

When you discover the truth, answers as to how this earth dreamscape is defined, you will be dismayed and troubled at the lies told by false teachers who are the servants of Satan, the father of all lies, in the earth dreamscape

When you are troubled and dismayed you will become astonished by the truth.

When the truth is discovered you will attain peace and control in your life.

jwp: When you discover the truth, you will be dismayed and troubled and afraid. Then you will become astonished. And if you keep searching you will find peace.

3.

The false preachers say, “Look the Kingdom of Heaven is in the sky.” If true, the birds have gone there before you and you are therefore less than the birds.

If the false preachers say, “Look the Kingdom of Heaven is in the sea.” You will realize the fish are already there before you and you are less than the fish.

Truly, I tell you, the Kingdom of Heaven is inside you and it is outside you.

When you come to know the truth, you will be free in the Light and you will be known by the darkness as being awake in the Light.

The dark ones will know they have no power over you because you know the true God. They will know you are no longer confused.

Until you came to know this Truth, you will exist in the pain and suffering that is the nature of darkness and ignorance in the earth dreamscape.

4.

The Master said:

The seniors should not hesitate to question the very young for the young have more recently come from Heaven. Their spiritual memory is more vivid and they have not yet become corrupted and confused by the false preachers who teach darkness from darkness within the earth dreamscape.

The earth dreamscape is a manifestation of the Infinite Potential (God). God is not a manifestation of the earth dreamscape as the preachers of darkness teach.

The firstborn into the earth dreamscape will become last due to their corrupted knowledge of their origins in the earth dreamscape.

5.

The Master said:

Observe the world around you. Everything in the world is a representation of Heaven and the Truth-Light-Love of God.

Therefore, if you understand what is before you, you understand God's Light and Heaven, the spiritual dreamscape. The most obvious is the most hidden. Ask and receive, seek and find, knock and enter and all that seems hidden to you will be revealed to you.

It is easy to become confused in the manifestations of the earth dreamscape and that is the goal of false preachers who serve the Father of Lies – Satan.

Focus on your spiritual Light and all will be revealed to you and you will find peace.

6.

The disciples of the Master asked him:

Do you want us to fast? Should we pray and give alms? Should we give to charity? What diet should we follow?

The Master said:

Do not lie. Do not do what you hate having done to you.

Everything will be revealed. What is hidden will be disclosed if you ask. The Light shines in the darkness. The Darkness cannot overcome it.

The Father of Lies (Satan) never rests and his minions never cease spreading his lies. There is no truth in Satan or those who do his will.

7.

The Master said:

Blessed is the man that eats a lion because the man knows he is a human.

Cursed is the man a lion eats because the man has forgotten he is a human.

jwp: A lion represents life in the earth dreamscape. Man represents a soul in the spiritual dreamscape. When the man eats the lion, it is because he knows the earthly lion is not equal to a spiritual human. When the earthly lion eats the human it is because the human has forgotten he is human and spiritual.

8.

The Master said:

A human being is like a wise fisherman who cast his net and drew up mostly small fish. In the net, he found one worthy fish and threw the rest of the fish back.

The fisherman understood the value of the large fish over the value of the many small fish.

Let those who have ears hear.

jwp: The large fish is one who understands his spiritual nature. The smaller fish in the world who represent the vast majority of humans in the earth dreamscape have forgotten their spiritual nature and think the earth dreamscape is the true reality and the spiritual dreamscape is the false reality. They live in many degrees of darkness.

9.

The Master said:

A farmer went out and sowed his seeds in his field. Some were eaten by the birds. Other seed fell on rocky ground and did not take root. Others were choked out by weeds. Others fell on good earth and reproduced themselves 60 and 120 times.

My words of Truth-Light-Love are my seeds cast among the world human population.

jwp: The words of Jesus do not impact on the majority of people but among those who are impacted they will spread the word to many others.

10.

The Master said:

I have cast fire upon the earth that burns out the dark aspects of Judaism and ignites a new spiritual truth among all human beings.

Can you not see that I am watching it and feeding it until it cannot be put out?

jwp: Jesus was a Gnostic and not a literalist. He knew that the Kingdom of Heaven is the spiritual nature of the soul incarnate in the human body. He knew the majority of humans are confused in the manifestations of the earth dreamscape because they have lost sight of their spiritual nature. Humans worship in houses of worship because they are confused. If they were not confused they would worship in meditation wherever they are.

11.

The Master said:

The earth dreamscape will pass away and the higher dreamscapes will pass away.

The dead who are confused in the earth dreamscape as being the true reality and believe the spiritual dreamscape as the fake reality are dead in darkness.

Those who understand that the infinite immortal spiritual dreamscape is the true reality are alive and never die.

When you consume the plants and animals of the earth dreamscape as the true reality you become part of it and make it alive in your mind.

When your body dies and you arrive in the Truth-Light-Love of the spiritual dreamscape that you denied in your life in earth dreamscape, what will you do?

In the beginning, you were one with the spiritual dreamscape but became two, body and soul, when Adam sinned. Now, what will you do?

jwp: Adam initially lived in a non-dualistic dreamscape of oneness but when he ate the apple of the Tree of Good and Evil he awoke in the dualistic reality of the earth dreamscape and the spiritual dreamscape. Jesus came to show the way back to the non-dualistic beginning of Adam.

12.

The disciples said to Jesus:

We know that you will leave us. Who then will lead us?

The Master said:

No matter who you are, follow James the Just who understands my teachings.

13.

The Master said:

Tell me who I am by comparison.

Simon Peter said:

You are like a righteous messenger.

Matthew said:

You are like a wise philosopher

Thomas said:

I cannot possibly say who you are like.

The Master said:

I am not your teacher. You have become drunk and confused about the things I have said and the miracles I have performed.

Then the Master took Thomas aside and spoke three things to him.

When Thomas returned to his companions, they asked. "What did the Master say to you.

Thomas said:

If I repeat even one thing he said to me, you would attempt to stone me but fire would come from the stones and burn you up.

jwp: By their answers, Peter and Matthew revealed they were still caught up in the earth dreamscape as the true reality.

Thomas was not confused by the earth dreamscape and understood Jesus teachings and was therefore at one with Jesus. Thomas could not reveal to Peter and Matthew what Jesus said because they were not ready for it.

14.

The Master said:

If you fast you will sin.

If you pray you will be condemned

If you give alms you will harm your soul.

These are rites and ritual acts of religionists.

Wherever you go in my name, if they receive you, eat whatever they serve you and heal the sick among them.

What goes into your mouth will not defile you. It is what comes from your mouth that can defile you.

jwp: Literal religionists are told they must follow the rules of organized religion because if they do not, they will go to hell. Jesus is saying you cannot sin by not obeying religious laws so there is no need to fast, pray, or give alms in relation to those religious laws. Focus on the spiritual reality.

15.

The Master said:

When you see someone who is not confused in his physical birth into this finite mortal earth dreamscape (as being the true reality) but understands the true reality is an infinite immortal spiritual dreamscape, listen to him.

16.

The Master said:

People think I have come to bring peace to the world and that is true for the distant future. I have come to increase the level of peace in the world.

But to get to peace the false teachings and false beliefs that now abound in the world human society must be challenged and discarded. The initial result of my teachings will bring chaos to the earth dreamscape in the form of fire, swords, and war.

For there will be five in a house and three will oppose two and four against one and two against three and one against four.

Those who understand and adopt and live my teachings will naturally stand alone in their personal understanding.

17.

The Master said:

The truth that I teach, Truth-Light-Love, no eye has seen, no ear has heard, no hand touched, and no thought has ever conceived.

jwp: Jesus is saying what he is teaching is infinite immortal and spiritual and that no flesh and blood person of the earth dreamscape has ever heard it. Jesus' infinite immortal spiritual teachings are understood by the infinite immortal human soul incarnate in the human body.

18.

The disciples said to the Master:

Tell us how our end will be.

The Master said:

Have you found the beginning and now you seek the end?

The place of the beginning is the end.

Within the Infinite Potential, there is neither beginning nor end. No time. No space.

Knowing this, one is not confused after the death of the body.

jwp: The Gnostic teachings of Jesus are related to the immortal infinite spiritual dreamscape. The teachings of Jesus are a pathway for those who are confused in the finite mortal earth dreamscape back to the Truth-Light-Love spiritual dreamscape.

19.

The Master said:

Blessed is he who was before he was born.

If you follow me and listen to my words even these stones will teach and serve you.

There are five trees in heaven that do not change in the seasons and whose leaves do not fall.

Trees of Life. Knowledge. Wisdom. Love. Peace.

Anyone who knows them, will not be confused in the death of the human body.

20.

The disciples said to the Master:

Tell us what the Kingdom of Heaven is like.

The Master said:

It is like a mustard seed, the smallest of all seeds. Yet when it falls on cultivated soil, it produces a great plant and becomes a shelter for the birds of the sky.

21.

Mary said to Jesus:

“What are your followers like?”

The Master said:

- 1) They are like children playing in a field that is not theirs.
- 2) When the owners of the field come, they will say, “Give our field back to us.”

The children take off their clothes in front of them in order to give the field back to them.

3) “For this reason I say, if the owner of a house knows that a thief is coming, he will be on guard before the thief arrives and will not let the thief break into the house of his estate and steal his possessions.

4) As for you, then, be on guard against the world. Arm yourselves with great strength or the robbers might find a way to get to you. The trouble you expect, will come.

5) Let there be a person among you who understands. When the crop ripens, the person comes quickly with a sickle in hand and harvests it.

Whoever has ears to hear should hear.

jwp: 1) The children are the disciples of Jesus who were talking to the resident Jews who are followers of the priests of the Old Testament. The disciples were taking followers away from them.

- 2) The priests came and demanded the disciples to get away from their followers. The disciples took off the clothing of the rites and rituals of the Old Testament to show the priests they rejected their interpretation of salvation.
- 3) If the owner of the house knows the thief is coming he will prepare and be on guard before the thief comes.
- 4) The disciple, the owner of the house (soul), knows the priests are coming to try to confuse him and take away the Truth from him and replace it with lies.
- 5) Let there be a man of understanding who knows when someone has come to believe the Truth; he will come and cement that Truth in the heart of the new follower of the Light.

22.

The Master saw infants being suckled and said:

These little ones being suckled are like those who enter the Kingdom.

The disciples said to him:

Then will we enter the Kingdom as little ones?

The Master replied:

When you make the two one and when you make the inside like the outside and the outside like the inside and the above like the below – that is, to make the male and female into a single one, so that the male will not be male and the female will not be female – and when you make eyes instead of an eye and a hand instead of a hand and a foot instead of a foot, an image instead of an image, then you will enter the Kingdom.

jwp: Jesus was again repeating to enter the Kingdom you have to ignore the duality of the earth dreamscape and see things with your spiritual eyes that see in oneness not in duality. In a word, you must stop being confused in the finite mortal earth dreamscape and see the spiritual dreamscape that supports it, then you will have entered the Kingdom. As a human being you have to see behind the images of the earth dreamscape to and see the Truth-Light-Love of the spiritual dreamscape.

23.

The Master said:

I will choose you one in a thousand who can recognize the Truth and two from ten thousand who can live in the Truth. And those I choose will stand as One.

jwp: Humans are so confused in the earth dreamscape that Jesus is saying only one in a thousand can understand what he is talking about but only one in five of those will be able to live in the Truth. The path to the spiritual dreamscape of Truth-Light-Love just does not seem to be as worthy as the deLights of the earth dreamscape. Otherwise, there would not be so much darkness on the earth.

24.

The disciples said to the Master:

Show us the place where you are because it is necessary for us to seek it.

The Master said:

Whoever has ears, let him hear.

There is Light within a man of Light and he Lights up the whole world. If he does not shine, then he is infected with darkness.

jwp: Jesus is saying that the disciples do not need to look at him, they can look around and see other humans living in the Light. And they can tell who these people are because they uplift others.

25.

The Master said:

Love your brother like your soul for you are responsible for everything. Guard him like the pupil of your eye which sees with spiritual sight and keeps you on the path of Light.

jwp: Jesus is saying you are your brother's keeper and you are responsible to help them on the path to Light in addition to keeping yourself on the same path. Jesus is saying that it is a big responsibility to follow him. He is saying we are all responsible for everyone and everything in the world. We are all our brother's keepers. Those confused by the manifestations of the earth dreamscape absolutely reject this responsibility Jesus demands.

26.

The Master said:

You focus on the splinter in your brother's eye but you cannot see the log in your eye. When you take the log out of your eye then you can see clearly to remove the splinter from your brother's eye.

Judge not.

jwp: Jesus is saying that when you are trying to help your brother because this is your job per #25, then you have to be sure your life is in order before you can deal with the flaws and confusion in others. Judge not.

27.

The Master said:

If you do not disengage from the earth dreamscape, if you do not step back from routine things that accomplish nothing eternal, you will not awaken to your true life as spirit.

If you do not spend a day contemplating God and your relationship to God, if you do not stop spending time reflecting on performing routines in your life as opposed to the Light that is your life, you will drift farther away from God and the infinite immortal Light.

jwp: If you do not moment to moment keep the template of spiritual Light in front of you as you move through the earth dreamscape, you are not going to achieve your goal of the Kingdom of Heaven.

If you do not give one day a week to God and contemplate on achieving the Kingdom of Heaven you will drift into darkness.

The temptations of the world are ever present and moment to moment calling you to relax your resolve to live in the Truth of the Light.

28.

The Master said:

I brought my spirit into the world in a flesh and bone body. I found everyone drunk and confused in the manifestations of the Light. Few were searching for their Light within and connected to the Light. I had compassion for the confusion of humans because of their blindness and confusion.

In the manifestations of the Infinite Oneness, God, they come into the world from the Light of the spiritual dreamscape and become confused within the darkness of the earth dreamscape. They are all drunk in their confusion. One day they will sober up and remember the Truth and the clear bright Light from where they came.

jwp: Jesus entered a very dark earth dreamscape. So many are lost. Helping others becomes more and more imperative.

Jesus' hope is that the confused will remember the Light of the spiritual dimension and begin to work detaching from the earth dreamscape to return to the spiritual dreamscape.

29.

The Master said:

If the body came into being because of the spirit it would be a wonder. The truth is human beings procreate bodies but bodies are only finite mortal vehicles, containers.

To think that the flesh procreates a spirit; that what is finite and mortal creates what is infinite and immortal would be profound, astounding, and definitely nonsense.

It amazes me that the infinite immortal spirit desires to reside in a finite mortal flesh and bone human.

jwp: Human bodies procreate human bodies. The spirit incarnates into those bodies but has no power on its own to create a body. All it can do is hitch a ride.

30.

The Master said:

Where there are three Gods (Father, Son, and Holy Ghost)
There are three Gods.

Where there are Father and son, I am with Him.

Where there is one. I am Him.

31.

The Master said:

No prophet is accepted in his own town. A physician does not heal the people who know him.

Most people are confused in darkness; the manifestations of the Infinite Potential, God.

People who think their finite mortal bodies are greater than their infinite immortal soul never see others as more than flesh and bone.

After many years in the earth dreamscape people cannot see the spirit within the body; the spirit as the Light within the flesh. Only those not confused in the routine drudgery of the earth dreamscape can see the Light within the finite mental container.

jwp: Jesus seems to be saying that the longer you live in a body, the more you sink into the earth dreamscape and the harder it is to see your true spiritual soul and the path out of the darkness.

32.

The Master said:

A city built on a high hill and fortified cannot be overcome.
Nor can its Light be hidden.

A teacher who speaks and teaches from the Infinite Immortal
Light and Truth of spirit cannot be overcome by the flesh or its
ignorance or its lies or its darkness.

33.

The Master said:

The teaching you hear from my mouth in your ear; proclaim from the rooftops for others to hear.

For no one Lights a lamp and puts it under a basket nor hides its Light in a closet.

Instead, he puts the lamp on a lampstand so that everyone who comes in and goes out will see the Light and benefit from it.

jwp: It is part of your nature and responsibility as Light to shine your Light for others to see.

34.

The Master said:

If a blind man leads a blind man, they will both fall into a pit.

The blind live in the darkness where animal instincts rule and confusion in the manifestations of the earth dreamscape dominate.

The blind require Light, not more darkness.

The blind leading the blind have no future nor do they have anything of value to teach.

35.

The Master said:

You cannot enter the house of a strong man and take it by force unless you tie him up. Then you can loot the person's house.

Darkness cannot overcome the Light. Therefore, remain in the Light and not become confused into believing that what is finite and mortal in the earth dreamscape has value over what is infinite and immortal in the spiritual dreamscape.

Keep your Light burning bright.

36.

The Master said:

Do not worry about what you wear from morning to evening
or evening until morning.

The body is finite and mortal and the clothes on the body wear
out faster than the body.

Your Light is infinite and immortal and like the body, clothing
is for the most part frivolous.

37.

The disciples asked:

When will you reveal yourself to us? When will we see you?

The Master replied:

When you strip naked without shame and trample your clothing underfoot just like little children do, then you will look to the son of God and you will not be afraid because you will be in the Light and out of the darkness of this earth dreamscape.

38.

The Master said:

Many times you have desired to hear these words I am saying to you and there is no one else for you to hear them from.

There will be days after you understand what I am teaching you when you will look for me but will not find me.

39.

The Master said:

The Pharisees and the scribes have taken the keys of knowledge (Gnosis) and hidden them in order to keep you in darkness and thereby control you.

They themselves have not entered and they have not allowed those who desire to enter to enter.

To allow you to enter would be to show you that the keys to enter are inside you and open to you at all times.

You must be wise as serpents who are the Pharisees and scribes and as innocent as doves by living in the Truth and Light of your spirit.

jwp: This is a condemnation of religion and religious bureaucrats. The way of Jesus Kingdom is not through the husk of religion's rites and rituals.

40.

The Master said:

A grapevine was planted in the world outside the Truth and Light of the Father. It was a false teaching and a corruption of the Truth and Light.

Since it is not supported by God, in time it will be uprooted and perish.

And at that time the Light and Truth will awaken those who have been confused in the earth dreamscape.

The Truth-Light-Love is within you and without you.

41.

The Master said:

Whoever has some understanding of Truth and Love and the infinite immortal Spirit, will be given more as he or she grows in the Light.

But those who have only a small spark of Light and ignore it will lose what little they have.

42.

The Master said:

Be like passers-by. Do not become attached to anything in the earth dreamscape because in the earth dreamscape all that manifests in time disintegrates back into the Infinite Oneness.

If you become attached, you will become more and more confused and live in increasing darkness. Focus always on Truth and Light and peace. Travel with little and keep moving. Do not become attached.

43.

The disciples asked the Master:

Who are you to say this to us?

The Master replied:

Do you not realize from what I say to you, who I am?

You have become like the Jews who love the fruit but hate the tree or love the tree and hate the fruit.

You love me and hate the responsibility of my teaching or love my teaching but hate me for making you aware of who you are and the degree of your responsibilities necessary to remain in the Light.

44.

The Master said:

Whoever blasphemes against the Father, it will be forgiven him.

Whoever blasphemes against the Son, it will be forgiven him.

But those who blaspheme the Holy Spirit, which is to curse Love, will not be forgiven. Whoever curses Love has no Love or comprehension of it and cannot be forgiven.

45.

The Master said:

Grapes are not harvested from thorns, nor or figs picked from thistles for thorns and thistles do not produce fruit.

A good person brings forth good from his heart.

A bad person brings forth evil from a bad heart and says evil things.

It is from the abundance of the heart that a person brings forth good things and evil things.

46.

The Master said:

Among those born of women, from Adam until John the Baptist, there is no one superior to John the Baptist that one's eyes should not be lowered before him.

But I have said, whoever among you becomes like a child and is no longer confused in the manifestations of the earth dreamscape will become greater than John.

47.

The Master said:

A person cannot ride two horses or bend two bows.

A servant cannot serve two masters or that servant will honor the one and hate the other.

No person drinks aged wine and immediately desires to drink new wine.

New wine is not poured into aged wineskins or they may break.

Aged wine is not poured into new wineskins or it might spoil.

A new patch is not sewn onto an old garment or the old garment will tear.

The teachings of the Old Testament should not be put into the New Testament or they will corrupt and spoil the New Testament.

48.

The Master said:

If two make peace with each other in one house, they will say to the mountain, “Move Away.” and it will move away.

When the body and spirit live in harmony, together they can accomplish anything.

jwp: The body is nothing more than a vehicle/container for the spirit, but the body has innate desires for the manifestations of the earth dreamscape and must be disciplined to ignore them by the spirit in order for the body and spirit to live in harmony.

49.

The Master said:

Blessed are those who are alone and chosen, for you will find the Kingdom. You are not confused in the ephemeral nature of the earth dreamscape. You are not attached to anything it manifests.

You are from the infinite immortal spiritual dreamscape of the Infinite Potential and you have not lost sight of the true reality.

50.

The Master said:

If they ask you, “Where did you come from?”

Say to them, “We come from the Light, the Infinite Potential, the place where the Light comes into being on its own accord and established itself and became manifest.

If they ask, “Is it you?”

Say we are its children, children of the Light, the elect of the living God

If they ask you, “What is the sign of God in you?”.

Say to them, “It is movement over the face of the waters and rest on the Sabbath.”

Movement and Repose.

51.

The disciples asked:

“When will the resurrection of the dead take place and when will the New World come?”

The Master said:

The resurrection which you are awaiting has already come, but you do not recognize it because you are confused in the manifestations of the earth dreamscape and you are attracted to it as the true reality.

The Infinite Potential, the infinite immortal spiritual dreamscape is the true reality, the Light, and your Light which you ignore and deny.

52.

His disciples said to him:

Twenty-four prophets spoke to Israel, and they all spoke of you.

The Master said:

You have deserted the one who is alive with you. You speak about the dead.

Quit looking for a Messiah and look within yourself and return to the true reality of Truth-Light-Love. There you will find the Kingdom of Heaven.

53.

His disciples asked him:

Is circumcision beneficial or not?

The Master said:

If circumcision was beneficial, males would be born already circumcised.

True circumcision in the spirit refers to the removal of a person's spiritual ignorance and is fully beneficial.

54.

The Master said:

Blessed are the poor because you are not burdened with attachment to as much of the earth dreamscape which you have to jettison to find Truth and Light within you.

The Kingdom of Heaven is right at your fingertips.

55.

The Master said:

Whoever does not hate his father and his mother cannot become a disciple of mine.

And whoever does not hate his brothers and his sisters and will not take up his cross as I do, will not be worthy of me.

Biology creates biology. God creates infinite immortal souls.

The higher power is God. The higher reality is the Infinite Potential that is infinite and immortal.

56.

The Master said:

Whoever has come to know the world, earth dreamscape,
which is finite and mortal, has discovered a corpse.

And whoever has found the world to be temporary as opposed
to the infinite immortal dynamics of the spiritual dreamscape
has transcended the world and the world is not worthy of him.

57.

The Master said:

The Kingdom of God is like a man who had sowed good seed. His enemy came by night and sowed weeds among the good seed. The man did not allow his servants to pull up the weeds. He said to his servants, "I am afraid that you will pull up the wheat with the weeds. On the day of the harvest, the weeds will be visible and then they can be pulled up and burned."

58.

The Master said:

Blessed is the man who has labored and found life.

He is no longer confused in the finite and mortal manifestations of the earth dreamscape but has focused his life on the infinite immortal spiritual dreamscape and its Truth-Light-Love.

59.

The Master said:

Look for the Living One while you are in the earth dreamscape so that you will not die in confusion and then seek to find him.

You will not be able to see him because you will not know what you are looking for.

60.

The disciples saw a Samaritan carrying a lamb on his way to Judea.

The Master said:

That person is carrying a lamb.

The disciples said:

He will kill it and eat it.

The Master said:

He will not eat it while it is alive but only after he has killed it and it has become a carcass.

The disciples said:

Otherwise, he would not be able to eat it

The Master said:

You must find a place of peace and understanding, or you may become a corpse and be eaten.

61.

The Master said:

Two will rest on a bed; one will die and the other will live.

Salome said:

Who are you, man? You have taken a place on my couch as if you are someone.

The Master said:

I am the one who comes from what is whole. Some of the things of my father have been given to me.

Salome said:

I am your disciple.

The Master said:

Therefore, I say if one is whole he will be full of Light. But if one is divided between the earth dreamscape and the spiritual dreamscapes he will be filled with darkness.

62.

The Master said:

I disclose my mysteries to those worthy of my mysteries.

Do not let your left hand know what your right hand is doing.

Do not be confused in duality but go through life unifying the physical and spiritual dreamscapes with the understanding that the spirit directs the physical.

If the physical dominates and controls, darkness comes.

63.

The Master said:

There was a rich man who had much money.

He said, "I shall invest my money so that I may sow, reap, plant and fill my storehouses with produce that I may lack nothing.

That night he died.

jwp: Tomorrow is guaranteed to no one in the earth dreamscape. The spiritual dreamscape has no beginning or end and is always waiting for the return of the spirit; forever. If you forget this, your life will grow dark.

64.

The Master said:

A man had received visitors. When he had prepared the dinner, he sent his servant to invite the guests.

The servant went to the first one and said to him, “My master invites you.” He said, “I have claims against some merchants. They are coming to me this evening. I must go and give them my orders. I ask to be excused from the dinner.”

The servant went to another and said to him, “My master has invited you.” He said to him, “I have just bought a house and am required for the day. I shall not have any spare time to come to dinner.”

He went to another and said to him, “My master invites you.” He said to him, “My friend is going to get married, and I am to prepare the banquet. I shall not be able to come. I ask to be excused from the dinner.”

He went to another and said to him, “My master invites you.” He said to him, “I have just bought a farm, and I am on my way to collect the rent. I shall not be able to come. I ask to be excused.”

The servant returned to his master and said, “Those whom you invited to the dinner have asked to be excused.”

The master said to his servant, “Go outside to the streets and bring back those whom you happen to meet, so that they may dine.”

Businessmen and merchants will not enter the places of my fathers.

jwp: Businessmen and merchants have chosen very dynamic and busy lives. As a result, they are more likely to ignore their spiritual essence and become totally caught up in their businesses. This also leads to a focus on money and assets, the rewards of a successful business.

They also become attached to their lives and the things their life produces. Jesus repeatedly said not to make money your master and how hard it is for a rich man to enter Heaven.

When these businessmen die and within a flash find themselves stripped of all their assets and power as well as their body, they will be lost in the spiritual dreamscape. It is then they will have to acknowledge that their life in the earth dreamscape was in fact just a mirage that lasted only a moment in time compared to the neverending Truth of the spiritual dreamscape.

65.

The Master said:

A good man had a vineyard that he arranged for tenant farmers to take care of for him in return for a portion of the produce. He sent a servant to collect grapes. The tenants seized the servant and beat him nearly to death.

The servant reported back to this master who responded, "Perhaps they did not recognize him." So he sent another servant. The tenants beat him as well.

Then the owner sent his own son, saying, "Perhaps they will show some respect for my son."

Since the tenants were aware that the son would inherit the vineyard, they seized him and then killed him.

He who has ears, let him hear.

jwp: This is the truth of the earth dreamscape; it is densely packed with darkness. The depth of evil that exists in the earth dreamscape has no limit. You have to be vigilant to avoid darkness in the earth dreamscape and even more so you have to avoid becoming part of that darkness.

66.

The Master said:

Show me the stone that the builders have rejected. It is the cornerstone.

Jwp: Jesus knew who he was. He knew that anytime someone challenges conventional wisdom or established bureaucratic laws or the status quo, he will be attacked and at the worst killed. For the most part, people hate change. And people hate peace because it means changing.

Jesus was revealing his future in this teaching.

67.

The Master said:

One who knows everything else but who does not know his true nature (body and soul) knows nothing.

jwp: The teaching of Jesus over and over emphasizes that the nature of life in earth dreamscape is a finite and mortal. The human body interacts within that dreamscape and those others who are also a part of the dreamscape.

Jesus teaches that the infinite immortal soul incarnates into the human body and it is the soul that experiences the dreamscape. Without an incarnate soul, the body is just dust. The problem is that the earth dreamscape is more intense than the spiritual dreamscape and it is easy to get attached to many things in the earth dreamscape and to believe it is the true reality as opposed to the spiritual dreamscape. The earth dreamscape is physical and it is hard in a physical reality to give much value to the intangible.

The more one gets attached, the more he forgets his true nature as an infinite immortal soul interacting with a finite mortal dreamscape which in essence is darkness as opposed to the Truth-Light-Love of the spiritual dreamscape. If one does not moment to moment remind himself of this truth, he will become more and more confused until he thinks the earth dreamscape is the true reality and then more darkness clouds his soul.

The majority of people are confused in the earth dreamscape and Jesus came to show the people a path to return to the Light. In another teaching, Jesus says only one in a thousand is aware. So those souls who can successfully navigate life on earth are few.

Dr John WorldPeace JD

All religions warn against attachment to the earth dreamscape as leading to misery.

68.

The Master said:

Blessed are you when you are hated and persecuted for my teachings. Wherever you have been persecuted that place will not be found.

jwp: Jesus seems to be saying his missionaries will find enlightenment bringing his word to those who are confused in the earth dreamscape. Jesus indicates that those who do not listen will move into greater darkness.

69.

The Master said:

Blessed are those who have been persecuted in their heart.
They are the ones who have truly come to know the Father.

Blessed are those who suffer from hunger for
Truth-Light-Love.

Their hunger will be satisfied as they return to the Light.

70.

The Master said:

If you bring forth what is within you, what you have will save you.

If you do not bring forth what is within you, darkness will overcome you and destroy you.

jwp: What is within you is your infinite immortal soul whose home is in the spiritual dreamscape where there is Truth-Light-Love as opposed to the pain and suffering of Lies-Darkness-Hate which dominates the earth dreamscape.

71.

The Master said:

I will destroy this house and no one will be able to build it again.

jwp: The Jews rejected Jesus as the Messiah and still do to this day. When Jesus died the vale in front of the Holy of Holies was rent in two as God took his presence out of Israel. Then the Temple of Solomon was razed by the Romans. The Jews were disbursed out of Israel. The Muslims were given the Holy Land and the Temple Mount and Hitler was allowed to exterminate 6 million Jews.

Jesus was born a Jew, lived as a Jew, thought as a Jew, taught as a Jew, died as a Jew. Christian Jews became the main branch of Judaism and the Ancient Archaic cult of the old Judaism withered and has never recovered just as Jesus said above.

72.

A person said to Jesus:

Tell my brothers to divide my father's possession with me.

The Master said:

Mister, who made me a divider?

The Master turned to his followers and asked them, "I am not a divider, am I?"

jwp: 1) These men were into possessions and were therefore confused in the earth dreamscape. Jesus had and has no desire to be an earthly king. This is why the Book of Revelation is false. Revelation indicates that Jesus will come back to rule the earth. Jesus' Kingdom is spiritual, not earthly. The most obvious is the most hidden.

2) Jesus was an advocate for the spiritual reality of Truth-Light-Love. His response shows irritation with people who are deeply attached to the earth dreamscape and deaf to his message.

74.

The Master said:

The harvest is great but the laborers are few.

Ask God to send us more laborers to gather the harvest.

jwp: From time immemorial there has been chaos and conflict within all aspects of the world human society. The majority of people live in the darkness of confusion in the earth dreamscape. A very much smaller percentage of people live a spiritual life. There will always be a shortage of Lightworkers to spread the teachings of Jesus.

74.

He said:

Master, there are many around the drinking barrel, but no one working to bring water up from the well.

jwp: 1) There are many who would like a better life but few who are motivated to work for it. They are OK to be a little thirsty as opposed to making the effort to draw water from the well.

2) The second issue is that there are not enough teachers to show the majority of people how to increase the level of peace and harmony and joy in their lives and consequently in the world human society. As each person increases their Light, the world human society advances that much and the level of global peace increases that much.

75.

The Master said:

Many are standing before the door, but is it the ones who live a spiritual life who know the significance of entering the Wedding Hall where the joy and bliss flows.

jwp: Here again the percentage of people who are not confused in the manifestations of the earth dreamscape is small.

Verses 73, 74, 75 are best read together. The shortage of teachers is the reason so many are standing by the door.

76.

The Master said:

The Kingdom of God is like a merchant who had merchandise to sell. He found a pearl in the goods.

That merchant was awake (spiritually). He sold the goods and bought for himself the pearl.

You should seek spiritual things that are unfailing and enduring and store them where no moth comes to devour them and no worm destroys them.

jwp: Things that can be stored on the spiritual dreamscape are not tangible. These things center around giving happiness, love, joy, to other human beings; essentially going around doing good.

77.

The Master said:

It is I who is the Light which is the source of all Light. It is I, who is the All, the Infinite Potential. From me did the All come forth and unto me the All returns. Split wood and I am there. Lift up a rock, you will find me there.

jwp: In the beginning was the Word and the Word was with God and the Word was God. All things were made through him, and without him was not anything made that was made.
John 1:1-3

God, the Infinite Potential of all things, has no beginning and no end and is the ultimate source from whom all things manifest and back into whom all things disintegrate. All things in the earth dreamscape constantly manifest and disintegrate within the earth dreamscape. Since all things disintegrate, it makes no sense to become attached to those things.

78.

The Master asked:

Why have you come out into the desert? To see a reed shaken by the wind. Or to see a man clothed in fine garments like your kings and your great men?

They wear fine garments, but they are unable to discern the Truth or the Light.

jwp: They are confused in the manifestations of the earth dreamscape which is here today and gone tomorrow. They do not know Truth-Light-Love.

79.

A woman in the crowd said to Jesus:

Blessed is the womb which bore you and the breasts which nourished you.

The Master said:

Blessed are those who have truly heard the word of God and have kept it.

There will be days when you say, "Blessed is the womb which has not conceived and the breasts which have not given milk.

jwp: After the Jews crucified Jesus, He/God left their presence as evidenced by the fact that the veil in front of the Holy of Holies was rent in two. God allowed the Romans to raze the Temple of Solomon and disburse the Jews out of Israel, raised up Mohammed the progeny of Ismael to establish Islam and to take control of Palestine and the Temple Mount, and allowed Hitler to exterminate 6 million Jews in the 20th century.

Jesus saying there would be tragic times for the Jews was true.

The Jews still deny Jesus as the Messiah, Christians support Zionists. America is Falling because it would appear Americans are going against God's will with regards to supporting the Zionists and attacking the Muslims.

God promised Abraham that Isaac's progeny would be without number and God promised Hagar that Ismael's progeny would be without number. There are 2 billion Christians, the live branch of Judaism, and there are 2 billion Muslims in the world but only 15 million Jews. This is the factual reality.

Dr John WorldPeace JD

Christians have made war on Muslims based on oil not the spiritual reality of the brotherhood of Christians and Muslims being the heirs of the half brothers Isaac and Ishmael the sons of Abraham.

80.

The Master said:

Whoever has come to recognize the world (earth dreamscape) for what it is, finite and mortal, understands the body is a manifestation of the earth dreamscape. It is made from dust and will return to dust.

Whoever has identified the body as dust has seen the Truth-Light-Love of the infinite immortal spirit and is no longer imprisoned or held fast by the earth dreamscape and is not worthy of it.

81.

The Master said:

Let him who is grounded in the spiritual Truth-Light-Love be king [and become a servant of the people]. Let him who has earthly wealth and power distribute it.

jwp: Let others use their spirits to become the masters of their bodies and minds and avoid the darkness of the earth dreamscape.

82.

The Master said:

He who is near me is near the fire of spirit. Truth-Light-Love

He who is far from me is confused in the manifestations of the earth dreamscape and lives in increasing darkness.

83.

The Master said:

Images are visible to humans but the Light within them is hidden in the image.

The Light of God will reveal Itself but God's image is hidden by God's Light.

jwp: Humans cannot see the Light within earthly images.

God's image is hidden by His Light.

Earth images hide their Light,
God's Light hides His image.

84.

The Master said:

When you see your earthly image, you are full of joy. But when you see your likeness that came into existence before your body – that neither dies or becomes manifest – how much will you bear.

jwp: Jesus referring to people having prior likenesses seems to indicate reincarnation.

With the death of the body, you will know who you really are and you will have your acts in many lives to contemplate in addition to how you lived in darkness while incarnate in your present finite mortal flesh and blood, dust to dust, body.

85.

The Master said:

Adam came into being from great power and great spiritual wealth. But he became unworthy and he experienced the end of his oneness. His body died.

jwp: Adam ate the fruit of Good and Evil and became dualistic in his thinking. Before eating the fruit, he lived in a high spiritual dreamscape where good and evil and dualism do not exist.

86.

The Master said:

The foxes have their holes and the birds have their nests, but I have no place to lay my head and rest.

jwp: In the spiritual dreamscape, there is no physical body that requires food, clothing, and shelter.

Jesus is living in faith. Jesus uses his spiritual soul to connect to the Infinite Oneness to take care of his bodily needs. Which is different from total reliance on finding gainful employment in the earth dreamscape. In a word, few can live on faith in God. They have faith in their jobs and assets which are all taken away at death.

This is a reality that confused humans have a hard time accepting; that Truth-Light-Love comes from God and the spiritual dreamscape not the earth dreamscape.

87.

The Master said:

Wretched is the human body that depends on the body of dead animals to survive. And wretched is the soul that depends on its physical body and other dead bodies to feed itself. It is dependent on two bodies.

jwp: Vegetarians make an issue of eating dead animals. But plants are dead when eaten as well. The human body is meat so it does OK with eating meat. It can also eat plants, fruits, and nuts. Human bodies are not all the same. Some thrive on meat and others do well on plants but the majority of humans do well on the right combination of both.

The point here is more generally that the physical body requires physical food and the spiritual body does not.

88.

The Master said:

The messengers, Angels, come to you with the knowledge, the prophets, etc. and they give you what you need and they gave you what you had.

You should then pass this on to others who need it as you did.

The question is why more people who are living in darkness do not seek Truth-Light-Love.

89.

The Master said:

Why do you wash the outside of the cup? Do you not realize that he who made the inside of the cup is the same one who made the outside?

jwp: Jesus used this metaphor often to remind his disciples they live in a physical body and a spiritual body simultaneously until the death of the body. The universal problem within the world human society is that people drift into darkness because they lose sight of their indwelling infinite immortal spirit.

90.

The Master said:

Come to me, for my yoke is easy and my teaching is gentle and you will find peace.

jwp: Jesus is saying in his teachings to always remember your spiritual nature and if you keep that in mind your life will be much more peaceful as you avoid being confused by darkness of the earth dreamscape.

91.

They said to him:

Tell us who you are so that we may believe in you.

The Master said:

You analyze the sky and earth but the one who is before you, you do not recognize. You do not know how to evaluate this moment.

jwp: The followers of Jesus keep asking this question showing Jesus that they still have no understanding of what he was talking about or who he was.

92.

The Master said:

Seek and you will find. The things you asked me about in the past you were not ready to hear. Now I am willing to answer your questions, but you no longer ask.

jwp: It is very difficult in a confusing earth dreamscape to not become distracted by the manifestations and forget you are an infinite immortal spirit. You must moment to moment keep this in mind in order to keep the peace and Light dominant in your life.

93.

The Master said:

Do not give what is holy to dogs or they will take it to the dung heap.

Do not throw pearls to swine or they will trample them underfoot.

jwp: Also, in both cases, they may use your teachings against you.

94.

The Master said:

Whoever seeks will find.

Whoever knocks, it will be opened.

jwp: This applies more easily to spiritual understanding than seeking things in the earth dreamscape. Seeking spiritual things are strictly between you and God. Seeking earthly things almost always involves others and the darkness that infests everything in the earth dreamscape.

95.

The Master said:

If you have money, do not lend it at interest. Give it to someone from whom you will not get it back.

jwp: All things you come to own come from God. I laugh at people who say they are self-made and what they have they earned as if not a gift from God. This is the ultimate ignorance, the ultimate confusion. No matter how hard you worked for something it is still a gift from God.

As you have received from God, you should give to others less fortunate than yourself. You should act in a way that increases your treasure in heaven.

96.

The Master said:

The kingdom of the Father is like a certain woman. She took a little leaven (baking powder) mixed it in some dough and made larger loaves.

Let him who has ears hear.

jwp: Life-saving seed. The teachings of Jesus if repeated will take root in some people who will multiply it.

97.

The Master said:

The Father's Kingdom is like a woman who was carrying a jar full of meal. While she was walking home a handle of the jar broke and the meal spilled behind her along the road. She was not aware of the problem. When she reached home, she put the jar down and discovered it was empty.

jwp: Existing as a spiritual and physical being at the same time, soul incarnate in the body, the tendency is to become confused in believing that the earth dreamscape is the true reality and the infinite immortal spiritual dreamscape is the illusion. Not being mindful of the superiority of the spirit incarnate in the body, one drifts into the darkness of the earth dreamscape and one's spiritual Light is dimmed by focusing on the physical aspects of the body within the earth dreamscape.

98.

The Master said:

The Kingdom of the Father is like a person who wanted to kill a powerful person. He drew the sword in his house and stabbed it into the wall to test whether his hand would be strong enough. Then he killed the powerful one.

jwp: The strong man is the physical body. It never ceases to reach out to physical things and pleasures which lead to darkness. It is an incorrigible child. It attaches itself to everything.

To live in peace one must always be mindful of the nature of the physical body and keep it in check by staying focused on the spiritual dreamscape. The truth is that as long as the body lives, one will not be able to kill its desires. Never.

99

The disciples said:

Your brothers and your mother are standing outside.

The Master said:

Those here who do the will of my Father, they are my brothers and my mother.

jwp: My family consists of the ones on the spiritual path seeking or living the spiritual dimension the same as I do.

100.

The disciples showed Jesus a gold coin and said:

Caesar's agents demand that we pay his taxes.

The Master said:

Give to Caesar what is Caesars. Give to God what is God's.
And give to me what is mine.

jwp: Caesar refers to the manifested things of this earth
dreamscape.

Father God refers to the maker of Heaven and Earth.

The Holy Spirit refers to the universal vibration and spirits
connecting the material and non-material dreamscapes.

101.

The Master said:

Whoever does not hate (subordinate) his physical father and mother as I do cannot be a follower of mine.

My physical mother gave me life and birth. My (true) spiritual mother gave me existence.

jwp: One's physical family can become so toxic that in order to live a spiritual life one must divorce them.

102.

The Master said:

The religious bureaucrats be damned.

For they are like a dog sleeping in a feed trough for cattle. They neither eat nor do they let the cattle eat.

jwp: Jesus had nothing but contempt for religious bureaucrats. He said nothing positive about them. This is the difference between a Gnostic Christian and a Literal Christian. Everything Jesus condemned in the Jewish bureaucrats applies to Christian bureaucrats.

103.

The Master said:

Fortunate is the person who knows where robbers are going to enter so he can prepare, assemble his forces and arm himself before the bandits enter.

jwp: Blessed is the man who remains vigilant and watchful for temptations of the flesh and mind and the fact that the earth dreamscape will lead him into darkness and away from the Truth-Light-Love of the spiritual dimension.

104.

The disciples said to Jesus:

Come let us pray and fast today!

The Master said:

What sin is it that I have committed or when have I been weak and overcome.

When the bridegroom comes out of the wedding chamber, then let us fast and pray.

jwp: Jesus is saying it is a bad thing to pray and fast when you have not turned from the Light or committed any sin. It serves no purpose except for the religious bureaucrats who want to control others to gain money and power and make you think you cannot keep from sinning. In truth, sin is a religious law. So sinning is an act against the church, not God.

105.

The Master said:

Whoever knows father and mother will be called the son of a whore.

jwp: When a person identifies with the body and emphasizes that he is a human being as opposed to a spiritual being, he has sold out to the tribe of physical beings caught up in the darkness and confusion in the earth dreamscape.

106.

The Master said:

When you make the two one, you will become spiritual beings and thus when you say to the mountain MOVE. It will move.

jwp: When you reconcile your body and soul and understand how they act as one and be vigilant and not become confused in the manifestations of the earth dreamscape as the true reality, you can do anything. Even move mountains.

107.

The Master said:

The Kingdom is like a shepherd who had a hundred sheep. One of them, the largest, went astray. He left the ninety-nine and sought the one until he found it. After he had gone to this trouble, he said to the sheep, I love you more than the ninety-nine.

jwp: Here again, like the pearl of great price and the large fish, the shepherd distinguished the value of the best sheep. Recognizing the things of the spiritual realm and going after them as opposed to associating with the greater number of lesser sheep confused in the manifestations of the earth dreamscape is the path of Light.

108:

The Master said:

Whoever drinks from my mouth will become like me. I myself shall become that person, and the hidden things will be revealed to that person.

jwp:

Jesus is saying we can become like him. Contemporary Christianity says we cannot become like Jesus.

In the Gospel of Thomas, Jesus says you have to work at understanding his teachings to become a spiritual being and enter the Kingdom of Heaven

Contemporary Christianity says you can be saved by baptism and continue on your evil way. Thomas says you cannot. You must be like Jesus studying his teaching trying to be like him. And since it is so easy to be confused and attached to the manifestations of the earth dreamscape, you must be constantly vigilant. You have to work to exist in the Truth-Light-Love while in the earth dreamscape.

If you profess your belief in Jesus and are baptized and the next day return to living in darkness you are not saved. This is the core truth of Gnosticism. If you do not remain on the path you are not saved, you remain in darkness according to the Gospel of Thomas. You do not accomplish the Kingdom of Heaven by saying a few magic words in a ritual.

109.

The Master said:

The kingdom is like a person who had a treasure hidden in his field but did not know it. And when he died, he left it to his son. The son did not know about it. He took over the field and sold it. The buyer went plowing, discovered the treasure, and began to lend money at interest to whomever he wished.

jwp: The man and his son were ignorant and confused in the manifestations of the earth dreamscape. The new owner lived a different reality and worked his field. As a result of his seeking to better himself he found the treasure and became rich.

110

The Master said:

The one who has found the world and has become rich should renounce the world and give away his wealth before he becomes caught up in attachments and descends back into darkness.

jwp: By giving away his wealth he will teach others and spread the teachings of Jesus.

111.

The Master said:

The heavens will roll up before you and the earth.

And whoever is living from the Living One will not see death

Does not Jesus say “Whoever has found himself, of him, the world is not worthy?”

jwp: When you become enLightened and understand that the infinite immortal spiritual dreamscape is the true reality and not the finite mortal earth dreamscape, then Heaven and earth will not be distinguished as two, but seen as one. Those who understand and practice Jesus’ teachings will live in the Truth-Light-Love

112

The Master said:

Woe to the flesh that depends on the soul.

jwp: Because the flesh is just a vehicle/container for the soul, the flesh is animated by the soul and the flesh will die and return to dust from which it came. When the soul disconnects from the body the body dies.

Woe to the soul that depends on the flesh to experience the earth dreamscape...

jwp: ...and then becomes confused in the earth dreamscape, becomes attached to it and lives in darkness when the resting place of the soul is the spiritual dimension.

The eternal God is your resting place and underneath are the everlasting arms. Deu 33: 27

113

His disciple said to him:

The kingdom – on what day will it come

The Master said:

It will not come by watching (and waiting for) it. They will not say: “Look, here! or Look there” Rather the Kingdom of the Father is spread out upon the earth and people do not see it.

jwp: The Kingdom of Truth-Light-Love has always existed. Then life in the earth dimension developed and spirits who live in a non-dualistic bliss began to incarnate in the earth dreamscape and its duality.

They became confused into thinking that the infinite immortal Infinite Potential an illusion. The earth body is a vehicle/container for the soul and when the soul gets confused and the body dies the soul is lost in the spiritual dreamscape because it had become attuned to the earth dreamscape.

The Kingdom of the Father is spread out upon the earth and the people do not see it. That is why there will be no Second Coming per the Book of Revelation; The Kingdom of the Father is spread out upon the earth and the people do not see it. And certainly the false preachers cannot see it.

114

Simon Peter said to Jesus:

Let Mary leave us, for women are not worthy of life.

The Master said:

I myself shall lead her in order to make her male, so that she too may be a living spirit resembling you males. For every woman who will make herself male will enter the Kingdom of Heaven.

jwp: Mary was the disciple Jesus loved but women were just property in Judaism 2000 years ago. Peter wanted to exclude Mary.

Jesus opened up his teachings to women. But more on point, Jesus said that in Heaven there is no gender. Only in the earth dreamscape is their gender for the purpose of procreation. Souls cannot procreate souls. Only God.

“You are mistaken.. for in the resurrection they neither marry nor are given in marriage, but are like angels (no gender) in Heaven.” Matt 22: 29.

So because genderless souls must make a choice between being male or female to live in the earth dreamscape, Mary had every right in Heaven and on earth as any soul who incarnated as male.

EPILOGUE

The original Christians were Gnostics. The Catholic church in 400 CE suppressed the Gnostic teachings of Jesus and replaced them with the standard model of religious literalism. THAT IS IN PART WHY SO MUCH OF THE BIBLE DOES NOT MAKE SENSE.

YOU MUST REMEMBER that when the Teachings of the Founder of a religion (Jesus' Teachings) are perceived by the church bureaucracy to threaten the bureaucracy, the Teachings of the founder are skewed to remove the threat. (As in removing Gnostic teachings from the teachings of Jesus.)

All my childhood I would ask questions of church teachers and elders and too often the standard answer was "God only knows". That was never enough for me. Often the students are smarter than their Sunday school teachers and elders.

Jesus said, "Ask and receive, seek and find, knock and enter." Matt 7:7. All spiritual questions have answers. They are within you to be discovered by prayer and meditation. This is the Gnostic path to Truth-Light-Love and the Kingdom of Heaven.

"Behold, days are coming, says the Lord, When I will establish 'A New Covenant with the House of Israel, and with the House of Judah (The Tribe of Jesus)."

[The Jewish Priests rejected Jesus as Messiah {and still to this day reject Jesus as Messiah} and manipulated the Romans into crucifying him. When Jesus died the vale in front of the Holy of Holies in Solomon's Temple was rent in two meaning God abandoned the old Judaism. And he made a new covenant with the House of Judah, Jesus Tribe, and the Jewish Christians {Christians} became the New Main Branch of Judaism.

Dr John WorldPeace JD

“The stone which the builders rejected, this became the corner stone.” JESUS BECAME THE FOUNDATION OF CHRISTIANITY THE NEW JUDAISM.]

CHRISTIANS MUST STOP SUPPORTING AND ENABLING THE ANCIENT ARCHIAIC CULT OF JUDAISM THAT RE-ESTABLISHED ITSELF IN ISRAEL IN 1948 UNDER THE NAME OF ZIONISM WITH THE NECESSARY AID OF THE UNITED STATES.

“FOR THIS IS THE COVENANT that I will make with the House of Israel and the tribe of Judah. I will put my Laws into their minds, and I will write them on their hearts, And I will be their God, And they will be my people. And they SHALL NOT teach everyone his fellow citizen, and everyone his brother, saying, ‘KNOW THE LORD’, for all will know ME from the least to the greatest of them. For I will be merciful to their iniquities, and I will remember their sins no more.”

{The foundation of Christian Gnosticism is self-knowledge and looking within one’s self. The Catholic Church wanted to deny this self-knowledge and force all Christians to be dependent on the priests, bishops, cardinals, nuns and Pope for salvation. This was an abomination.}

“When the Lord said, ‘A New Covenant’, he made the first covenant with the Ancient Archiac Jews obsolete.
Hebrews 8: 7-13

Let those who have eyes see and those who have ears hear.

Dr John WorldPeace JD
Counselor and Advocate for Jesus Christ

Dr John WorldPeace JD

Dr John WorldPeace JD

Who is Dr. John WorldPeace JD ?

When I was 8 years old, I became aware that all human beings die. I became aware that these fragile human bodies are not immortal and eternal but are mortal and finite. I also became aware that at the end of each life, one's consciousness exits this reality with nothing but one's experiences. Into this reality, we all come without material possessions, other than our human bodies, and from this reality, we all leave with only the script of our lives which we have written. That is our testament and upon that testament, we should contemplate; not just when we die but often as we experience this life.

My primary purpose in this life is to challenge the predatory nature of homo sapiens globally. My focus is to bring forward a more sane and just world human society.

It is my intention to live a minimalist life to prove that the accumulation of wealth is not necessary for a happy and successful life and that it, in fact, creates confusion and chaos in one's life as well as the world human society. The only power I will have is the power of the truth of the various aspects of my Advocacy for peace and WorldPeace.

My concept of family discounts biology. All men are my father, brother, son. All women are my mother, sister, daughter. Children are of my body, not my soul.

I do not belong to any organization. I am not a religionist but a spiritualist. The difference is that religion is a human corporation. Spirituality is a direct relationship with God.

I changed my name to John WorldPeace (one word) on April 1, 1988, Good Friday and April Fool's day. I changed my name to WorldPeace as evidence of my commitment to increasing the peace in the world human society.

I have been self-employed 95% of my working career in insurance, accounting, tax, law, and now web design. I will never

Dr John WorldPeace JD

retire. I am also an artist and writer and poet.

My funds come from my web design business, art, and books. All excess monies go to promoting WorldPeace in one way or another. My ego is firmly anchored in my WorldPeace Advocacy and not in anyway with the egotistic accumulation and management of physical assets or money in the bank as an objective in my life or measure of success. I am 100% committed to increasing the peace in the world human society and not committed to the accumulation of assets except incidentally, as above, to promote WorldPeace.

I am primarily an Advocate for Peace and WorldPeace but I am not a pacifist. For the most part, everything I have done in this life has been focused on increasing the level of peace in the world human society. My art, business, writings, education, if you take the time to engage with what I have communicated in words and deeds, will show a focus on constantly increasing the level of peace in the world human society.

For me, it is absolutely critical that my life reflects my philosophy and my cosmology. How can we increase the level of peace in the world human society if we do not include everyone (all races, all nationalities, all religions, all genders) in our vision of peace?
